

STAYING SAFE AS YOU STUDY

Here at Kidderminster College we can't wait to welcome you back to campus. We have been working hard to ensure the campus is a safe and secure environment for all, supporting you as you study on campus and online.

Your safety is very important to us. Here's what learning will look like if campus can safely open.

PRESENT AND IN-PERSON MODEL

CAMPUS

The following safety measures could be put in place if necessary:

- Keep left signage
- Masks on the move
- Screens and barriers
- Hand sanitising stations
- Targeted cleaning across campus facilities

CATERING AND SOCIAL SPACES

Enhanced safety and physical distancing measures can be put in place:

- Keep left signage
- Masks on the move

EXPERIENCE

- Contact with tutors and support staff
- Exceptional levels of one-to-one support
- New and returning students' induction with a programme of activities

FOR YOUR SAFETY

STUDENT AMBASSADORS

- To get you where you need to be - safely

STUDENT LIFE AND COMMUNITY

- Fitness and sports facilities will open in line with Government guidance
- Online and on-campus services including award-winning student support, learning enhancement team, careers and employability
 - A Personal Tutor for academic support
 - Learning Enhancement Coaches to help you settle in with your studies
- Become a Student Fellow and take a lead role in shaping the student experience

LEARNING

- On-campus teaching and assessment
- Access to exceptional equipment / workspaces based on curriculum need

LIBRARY

The following safety measures could be put in place if necessary:

- Keep left signage
- Masks on the move
- Hand sanitising stations throughout the Library
- Social distancing markers in place
- Barriers and screens
- Book return available via the external book drop facility or Library drop in
- Area available to return physical library resources used during Library browsing session

ACADEMIC LIFE

IT ACCESS

- Access an extensive range of PCs and laptops
- Access to industry specialist software
- Campus wi-fi access

STAYING SAFE AS YOU STUDY

Here at Kidderminster College we can't wait to welcome you back to campus. We have been working hard to ensure the campus is a safe and secure environment for all, supporting you as you study on campus and online.

Your safety is very important to us. Should public health guidance require a partial lockdown, here's what you can typically expect if your studies are split between online and on campus.

HYBRID MODEL

LEARNING

- Online and on-campus teaching and assessment
- Access to exceptional equipment/workspaces based on your course

CAMPUS

- A blend of online and on-campus services including safe access to learning and social spaces
- Measures in place to ensure campus safety in line with Government guidance
- Social spaces will be open in line with campus safety measures and Government guidance

STUDENT LIFE AND COMMUNITY

- A Personal Tutor for academic support
- Learning Enhancement Coaches to help you settle in with your studies
- Become a student fellow and take a lead role in shaping the student experience

LIBRARY

- Keep left signage
- Masks on the move
- Hand sanitising stations throughout the Library
- Social distancing markers in place
- Barriers and screens
- Book return available via the external book drop facility or Library drop in
- Area available to return physical library resources used during Library browsing session

STUDENT SUPPORT

- Online and on-campus services including award-winning student support, learning enhancement team, careers and employability

EXPERIENCE

- Exceptional levels of one-to-one support
- New and returning students' induction with a hybrid programme of activities

SUPPORTING YOUR OFF-CAMPUS STUDIES
Here at Kidderminster College we are doing everything we can to ensure you stay safe and feel supported as you study online.

Your safety is very important to us. Should public health guidance require a full lockdown, here's what you can typically expect if all your studies are online.

ONLINE MODEL

LEARNING

- All teaching and learning online
- Access to resources online
- Access to Library resources online

CAMPUS

- Access to campus will be available for limited numbers of students in line with government guidance

STUDENT LIFE AND COMMUNITY

- Online and on-campus services including student support, learning enhancement team, careers and employability
- A Personal Tutor for academic support
- Learning Enhancement Coaches to help you settle in with your studies
- Become a student fellow and take a lead role in shaping the student experience
