

Autocare Technician

As an Auto-care Technician Apprentice, you will carry out a range of services and repairs to cars, car-derived vans and light goods vehicles, working in an Auto-care or “Fast-Fit” Centre, which may be part of a national chain or operated by a regional/local independent group/owner. You will be required to regularly use a unique combination of technical, retail and customer service skills.

You will also use a range of tools, measuring and diagnostic equipment to identify & repair simple system faults. An Auto-care Technician has to demonstrate expertise not only in the technical elements of their role, but to also have a good grasp of the practical and theoretical aspects of the vehicle systems they service.

Progression:

When you complete your Auto-care Technician apprenticeship, you'll have the opportunity to seek full-time employment within your industry.

You will also be eligible to apply for IMI (Institute of the Motor Industry) membership as a Registered Young Professional or as an Associate Member. You would also gain entry onto the IMI Professional Register, further enhancing your job prospects and earning potential.

Level:

■ Level 2

Duration:

■ 30 months

Entry Requirements:

- GCSE Grade 3/D or above in Maths and English or equivalent
